## ***CERTIFICATION PROCESS:***

Prospective residents of our Affordable Apartments, like all of our apartments, must provide documented evidence of annual income for the household, and information concerning the number of people intending to occupy the residence. In addition, South and Hickory Place must verify each participating household’s total annual income each year when the lease renews, to ensure the household continues to comply with the program guidelines. Residents of Affordable Apartments must notify South and Hickory Place in household composition or income. More details concerning this program can be provided by a leasing agent.
